

List of Texas LTC Concealed Carry CHL Instructors

by | Handgun, Texas CCW, Texas CHL, Texas Handgun Training, Texas LTC, Texas LTC Classes, Texas Pistol Range

Taking our **online** Texas CHL (LTC) course will teach those wishing to carry open or concealed relevant Texas gun laws and firearms safety!

We support our US Constitutional rights. For those wishing to have the legal right to carry a handgun in **most other states**, and not just in Texas, the benefit to legally carry in most other states should get the Texas LTC permit. For others who don't travel, this training may also provide you with a level of legal **liability protection** by having been properly trained in the use of the weapon you are carrying. You will also have the benefit of being able to legally carry in 36 other **reciprocal states**. **Sign up today! Then contact an instructor below for the firing range portion.**
